

Alliance Française Mpls/St Paul Book Donation Policy

Donations of **gently used books** written in French or English are greatly appreciated. These donations allow us to expand our collection of library materials and meet the educational needs of our members and francophone community. Since volunteers maintain our library and their time is valuable to us, please keep the following criteria in mind before donating.

We do **not** accept:

- Books that have stains, damage, handwriting, or mold
- Periodicals
- Textbooks or workbooks
- Books published before the year 2000

For books written in English, we ask that they be on a subject related to the Francophonie or francophone culture in some way. These provide to be a valuable resource to our non-French members of our AF community that wish to learn more about the Francophonie and francophone cultures.

If we already have a book in our library or it does not fit our collection criteria, it will either be added to our Little Free Library in our parking lot facing Colfax Avenue, sold at a book sale, or donated to Better World Books. If you have questions about donating, please email bonjour@afmsp.org.
