ALLIANCE FRANÇAISE

The Alliance Française is a worldwide network. There are over 100 Alliance Françaises in the United States, 73 of which provide French language classes. The three core goals for all Alliance Françaises are:

- Offer French language courses to all sections of society
- Increase promotion of all dimensions of French culture and cultures of French-speaking countries
- Encourage cultural diversity and bring all French-speaking cultures into focus

Alliance Française Mpls/St Paul is an independent chapter of the global Alliance Française network, and is ranked the 5th largest Alliance Française in the US. As a nonprofit organization, we are self-funded, meaning we receive no financial support from the Fondation Alliance Française for our programming.

Fondation Alliance Française

The Fondation Alliance Française serves as the moral and legal guide for Alliance Française chapters around the world. The Fondation is responsible for recognizing all new Alliance chapters, through a formal approval of the new chapter's statutes. Alliance chapters are also able to rely on the Fondation for support such as instructor training and advice on program expansions.

Fédération des Alliances Françaises USA

For more than one hundred years, the Fédération of Alliances Françaises USA has served as a bridge between the Alliances in the United States and the Fondation Alliance Française in Paris. In our ever-changing world, this partnership echoes the historical friendship between the United States and France and the sustained mission that all Alliances share: to support the French language and French-speaking cultures as they are practiced around the globe. The Fédération is dedicated to the support of the American network which, in turn, nourishes and educates its members and constituents. Inclusive in this is the continuing tradition of sharing the beauty of francophone literature, art, and history, and its contribution to the multicultural richness of this world of 200 million French speakers.

RESSOURCES DE L'ALLIANCE FRANÇAISE

PROGRAMMES D'ÉDUCATION ET COURS

Educational Programs and Classes

Alliance Française offers a variety of classes for children and adults over the course of four ten-week class sessions and one three-week mini-session per year. During the pandemic, we have moved all classes online. These courses are taught live using the video conference app Zoom and the online learning platform Apollearn.

COURS DE FRANÇAIS POUR LES ADULTES

Adult French Classes

Foundation Classes

These classes focus on developing a solid grammatical base of French for each student's learning. They are divided into groups of beginner, intermediate, advanced, and expert levels of French.

Conversation Classes

These classes, which seek to improve oral expression and comprehension, are offered to students who are in high Beginner through Expert courses.

Topics Classes

Each session, AFMSP offers a variety of topics classes with themes that include grammar reviews, contemporary business French, geographic regions, Francophone literature and music, art history, and more!

COURS DE FRANÇAIS POUR LES ENFANTS

French Classes for Children

Our Alliance Française offers children the possibility of mastering French from complete Beginners to Advanced students. Our classes serve students aged 18 months through 16 years old. Striking the balance between fun and studious, our extensive program offers rigorous academic objectives while entertaining children with games, activities, and cultural immersion.

COURS PÉRISCOLAIRES DE FRANÇAIS

After-School Classes

The Alliance Française is a Community Partner of the Minneapolis Public Schools. This partnership has allowed our organization to bring French classes into schools across the city and help children discover France, the French language and French speaking cultures from around the world.

We are currently serving families with after-school discovery programs at Burroughs, Hale, and Kenwood. Alliance Française is happy to work with parents and staff at metro area schools to develop these programs. Recently classes have also been offered in conjunction with Bloomington Community Education and Columbia Heights Public Schools. Contact us if you are interested in bringing the program to your family's school.

COURS PARTICULIERS

Private Tutoring

Private tutoring is a service made available to members of the AFMSP. If you are not currently a member, we ask that you join at the time of registration. You may choose tutoring here at AFMSP, online, or at an off-site location of your choice. Private tutoring is available for individuals, or groups of up to four students. Pricing varies based on location and number of students. Contracts are purchased in five-hour blocks.

COURS DE FRANÇAIS EN ENTREPRISE

Corporate Business Classes

AFMSP provides on-site corporate programs for businesses across the Metro area. Our clients have included the US State Department, Polaroid, Target Corporation, General Mills Corporation, Aveda Corporation, and many others. During the pandemic, we are offering classes via Zoom; when in-person classes continue, we will happily offer the option to choose between in-person or online classes. Our native-speaking instructors use an immersion-style approach which allows for results from day one. Classes are tailored to suit your business and staff's needs and goals. Class size is limited to 10 students for maximum results. For more information, please contact our Education Director Alix Lewis-Sadrant, or call our office today at 612 332 0436.

PROFICIENCY EXAMS

AFMSP is currently a testing center for the TEF, DELF, and DALF proficiency exams. These exams are sometimes required for immigration, certain French Universities, or job positions. To learn more about these exams, please go to our website page: www.afmsp.org/proficiency-exams.

ALLIANCE FRANÇAISE ÉTOILE DU NORD

Continuing Education Fund

In December 2013, AFMSP members Suzan Grovender and Philip Garnatz created the Alliance Française Etoile du Nord Continuing Education Fund. The goal of this fund is to allow AFMSP to offer expanded continuing education opportunities, both for its staff and also for the greater community, particularly to French teachers in local schools. The goal of these training opportunities are to increase the professional opportunities for French instructors, grow the visibility and impact of AFMSP in the local community, and develop AFMSP as a hub for continuing education to support our colleagues and partners. Each year, AFMSP offers its instructors, as well as French teachers in our community, continuing education opportunities on a variety of themes and topics.

PROGRAMME DE BOURSE D'ÉTUDES

High School Scholarship Program

Alliance Française of Minneapolis/St. Paul is pleased to offer a Scholarship Program to 10 and 11th grade high school students of the Twin Cities area. This program is designed to give young adults the opportunity to discover French language and culture.

Each year, five recipients are selected to receive a one-year membership to our nonprofit organization, four ten-week sessions of French classes (one calendar year) and required textbooks free of charge. Acceptance to the program is determined by merit, financial need, access (or lack of access) to French programs in school, maturity, and interest in French culture and language.

SORTIES SCOLAIRES

Field Trips to Alliance Française

Since 2015, AFMSP has hosted school field trips for public and private schools. We are thrilled to open our doors to French classes and clubs so that children and young adults can discover *la francophonie* outside of their classrooms. If you are interested in organizing a trip, please don't hesitate to contact Education Director, Alix. Some financial aid is available.

RESSOURCES D L'ALLIANCE FRANÇAISE

Alliance Française Resources

La Boutique

Opened in September 2019, Alliance Française's gift shop La Boutique has something for tous les goûts: French language greeting cards, school supplies, children's items, French antiques, kitchen items, and more. One section of La Boutique is dedicated to the French Corner Bookstore, a mini-satellite store of Albertine, originally based out of New York City. Stop by to add something new to your personal library!

CLUBS ET GROUPES

Clubs and Groups

These May be Suspended or Moved Online During the Pandemic

Groupes de Conversation

French Conversation Groups

The Alliance Française offers three conversation groups each month. They are listed in our Events posted online.

Apéritif en français à St Paul

This casual conversation group meets on the second Thursday of each month from 6 pm to 8 pm at the University Club of St Paul.

Petit Déj Breakfast Conversation Group

Our most popular conversation group meets the first Saturday of each month from 9:30 am to 11:30 am in both the Twin Cities and in Rochester.

Twin Cities residents meet at the Alliance Française, located at the Joly Family Center for International Understanding. This well-attended breakfast conversation group welcomes all French levels. Coffee and tea are provided by AFMSP. Breads and muffins, generously donated by Breadsmith, are also available.

Rochester residents meet at Old Abe Coffee Shop (832 7th St NW, Rochester). Open to all levels of French, though mostly attended by conversational French speakers.

À la notre ! Un apéritif

This conversation group meets the last Sunday of every month at Meritage Restaurant in St Paul from 2 to 5 pm.

A list of other French conversation groups held around the Twin Cities area can be found on our website, at afmsp.org/conversation-groups.
